

PILLOW AND LINEN SELECTION:

PILLOW:

◆ Buckwheat Pillow

Filled with buckwheat hulls which move around naturally in the night, molding perfectly to the shape of your head and neck, and providing maximum support, the buckwheat pillow allows you to maintain correct posture and alignment.

◆ Contour Pillow

By curving and molding with the shape of your head and neck, this pillow provides excellent support and alleviates any impact on pressure points.

◆ Latex Pillow

Made from soft natural latex from the sap of a rubber tree, this pillow has hypoallergenic properties and is chemical-free. The latex pillow provides appropriate support, reduces noise, contains no allergens, and maintains an ideal sleeping temperature while relieving pain and pressure.

◆ Microfibre Pillow

Microfibre is extremely soft and plush, almost directly mimicking the feel of down feathers inside a pillow. This pillow gives you down-like softness.

◆ Non-Allergic Fibre Ball Pillow

Warm and fluffy, these luxurious premium pillows contain hypoallergenic fiber that ensures a beautiful night's sleep. The fibre ball pillow is ideal for those who are sensitive to down or prefer a synthetic fill.

LINEN:

◆ Rayon Sheet

The rayon bedsheets are a semi-synthetic fabric, considered to have all the properties of natural fibre. It is also cool, smooth, and absorbent of water and sweat – a non-insulating fabric ideal for humid climates.

◆ 100% Bamboo Sheet

The bamboo bedsheets are naturally hypoallergenic and antibacterial. It also combats allergies by reducing moisture in the bed. It is comfortable and breathable, and dissipates any excess heat. With a bamboo linen, you will stay cool and comfortable.
