# PRIVATE SPEEDBOAT TRIP TO HONG ISLAND

## HONG & LAGOON + LAO LADING + PAK BIA

Searching for The Best Hong Island Tour? We have the most unforgettable tour just for you! Join us for a full day of relaxation, and prepare to be spoiled by our fantastic beach picnic. Take great photos of the most beautiful beaches in Krabi, Thailand. Book Now!

Hong island is another "must-to-see" and its name translates from Thai into "The island with the room" and got its name from the large lagoon located in the center of the island. Thousands of years ago this was a cave that collapsed and created this magnificent lagoon. It's only reachable by boat and offers swimming and pictures of beautiful limestone cliffs. Large bats are known to be hiding inside the mangrove area of the lagoon and can sometimes be seen. Hong Island has two beaches and a jungle trek to go and explore.

Enjoy a wonderful day of snorkeling, swimming and leisure time at the beach. We will also visit Pak Bia and Lading Islands, rated some of the most beautiful beaches in the world! This trip is a fantastic choice if you want to take a break, and get away from it all.

All you need to do is relax, and just let our team of experts take care of all the details. Have a small group or a family? This is a fantastic trip for small groups, and families, as there is a mix of activities and relaxation. The photos you capture on this trip will stay with you for a lifetime.

# HALF DAY KAYAKING AO THALANE

## HALF DAY KAYAKING AT AO THALANE

The most popular spot for kayaking in Krabi is Thalane. Its a small bay that puts you within easy paddling distance of a network of canals meandering amid mangroves, sea caves and vertical limestone cliffs.

Ao Thalane – Thalane Bay in Thai – has become the capital of sea kayaking in Krabi. Located in the southern part of Ao Luk sub-district, Ao Thalane is a fishing village in a superb area featuring mangrove forests and impressive limestone canyons, offering the perfect playground for sea kayaking exploration.

Kayaking is a great way to stay active during your holiday while exploring the beautiful scenery of Krabi without damaging the environment. Visit remote areas which are only accessible by kayak. Moving slowly and almost unnoticed along the coastline of Ao Thalane, passing mangrove forests, canyons, caves and lagoons. You have a very high chance of spotting wild life such as rare birds and wild monkeys.

Its great fun and no previous experience needed, suitable for anyone! You are accompanied by an experienced guide that will help you at all times.
