WELLNESS SANCTUARY & HOLISTIC SPA

WELLNESS APPROACH & CONCEPT

Conceived as a serene sanctuary for contemplation, inspiration, immersion and transformation, Kamalaya's tranquil setting gives you the time, space and freedom to rest your mind, open your heart, replenish your body and awaken your spirit in an idyllic setting. Our innovative wellness philosophy supports holistic healing from the inside out. Flexibility and fluidity lie at the core of our offerings and we invite you to listen to your intuition in your search for internal harmony. Rediscovering your equilibrium is a personal process, replenish and heal your physical, emotional, mental and spiritual energies at your own pace, in your own way.

There are over 70 wellness treatments and therapies on our menu, including regenerative new treatments such as IV Therapy, Ozone Therapy and Hyperbaric Oxygen Therapy, all available at our dedicated Longevity House. Our wellness sanctuary is supported by a wide selection of multi-disciplinary wellness experts including a team of Thai therapists, registered nurses, TCM and functional medicine doctors, Ayurvedic specialists, naturopaths, meditation and lifestyle coaches, nutritionists, energy healers, qualified fitness instructors, spiritual life-enhancement mentors who will assist you in your journey back to health. We also host year-round retreats and workshops, led by an extensive selection of visiting teachers, healers and practitioners.

Guests can also enhance their sense of wellbeing by choosing from 18 results-oriented wellness programs that address healthy lifestyles and longevity, reset and detox, stress and burnout, as well as mental and emotional wellbeing. We believe all aspects of health are interconnected; so our programs include vital contributions from naturopaths, traditional Chinese medicine doctors, yoga teachers, fitness trainers, massage therapists, meditation and life enhancement mentors. Our expert team also offers a range of classes throughout the week that guests can join at their convenience. There are sessions suitable for all levels of fitness, age and experience. We designed our activities to support the effectiveness of our wellness programs and create a moment for our guests to reconnect with others through a shared experience.

RESTAURANTS & CUISINE

The foundation of good health begins with the food you eat, which is why healthful nutrition is such an integral part of the holistic healing journey at Kamalaya. The menus reflect our philosophy of healthy living and the celebration of different cultures, featuring fresh and healthy dishes with enough sumptuous twists to satisfy the most discerning palates.

SOMA RESTAURANT

Sanskrit for 'food of the gods', Soma is close to the main facilities and overlooks Kamalaya valley, offering spectacular views of the coast and outlying islands. Intimate tables are arranged throughout the two-level venue, in addition to a Community Table where guests may dine together.
